Action: M/S/C (Jones/Huber) to approve the Agenda.

Vote: Ayes: Ford, Hasan, Huber, Jones, Keeling, Kimball, and Maulhardt; Noes: None.

2.4 **Oral Report Regarding Executive (Closed) Session**

District Legal Counsel David Boyer reported one item. At the September 10 Board Meeting, the Board, in closed session, unanimously approved the filing of a petition for certiorari to the United States Supreme Court regarding agenda item 1.2c, *United Water Conservation District vs. United States*. The petition was filed on October 28.

2.5 **Board Members' Activities Report**

Received and filed.

2.6 General Manager's Report

Received and filed.

President Maulhardt thanked the General Manager and staff for supporting the mission as it has been outlined.

2.7 Asset Management Pilot Project Update

Senior Engineer Nathan Summerville gave an informational update from the Engineering Department highlighting its activities in support of the Asset Management Pilot that supports the larger asset management effort. Presentation received and filed.

President Maulhardt commented that he thought the presentation was wonderful and incredibly important.

4.5 Public Outreach and External Affairs Department Monthly Report

Public Outreach and External Affairs Manager Tara Mullaly gave a PowerPoint presentation; received and filed.

4.6 Engineering Department Monthly Report

Engineering Manager Robert Richardson gave a PowerPoint presentation; received and filed.

4.7 Environmental Services Department Monthly Report

Environmental Services Manager Marissa Caringella and Environmental Scientist Evan Lashly gave a PowerPoint presentation; received and filed.

President Maulhardt commented on the Pothole trail, noting that at the next meeting he would like a report on trail usage, including whether usage is increasing or remaining flat. He stated that significant effort was undertaken to establish the trail. President Maulhardt emphasized that the trail was mandated by federal requirements, and having historical data on usage trends could help inform future decisions regarding similar mandates.

5. MOTION ITEM

5.1 SGIP Applications (one per site) with Ventura Energy LLC

Chief Financial Officer Brian Zahn and Clara McBain from Ventura Energy LLC provided an overview of the proposed work Ventura Energy LLC would perform with United Water Conservation District regarding battery backup systems for all District facilities. The project is fully funded through the State's Self-Generation Incentive Program (SGIP), which expires in 2031. Applications must be submitted to the State to determine the amount of funding available.

The motion under consideration is to authorize the General Manager to execute SGIP applications (one per site) in coordination with Ventura Energy. There are no financial obligations to the District associated with this authorization.

The Board members agreed to approve the motion with more detail including the line in the motion, *"so they can reserve funding with the State to finance all battery energy storage systems at key locations."*

Action: M/S/C (Keeling/Huber) To authorize the General Manager to execute the SGIP Applications (one per site) with Ventura Energy LLC so they can reserve funding with the State to finance all battery energy storage

systems at key locations.

Vote: Ayes: Ford, Hasan, Huber, Jones, Keeling, Kimball, and Maulhardt;
Noes: None; Absent: None

6. FUTURE AGENDA ITEMS

Director Jones suggested the following:

- Director Jones mentions Ventura County using dogs to detect leaks and that it has been successful for them. She will reach out to the team with some information regarding this.

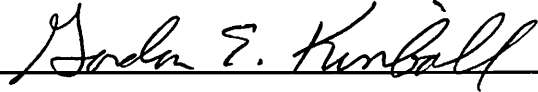

President Maulhardt requested the following:

- Historical information on the Pothole trail usage.

7. ADJOURNMENT

The meeting was adjourned at 3:19 p.m.

I certify that the above is a true and correct copy of the minutes of the UWCD Board of Directors meeting of November 12, 2025.
